I CERTIFY ON HONOR, That I have carefully examined the above named Recruit, agreeably to the General Regu-  
lations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would, in any way  
disqualify him from performing the duties of a soldier.

*J. C. Higdon, M.D.*

Examining Surgeon.

I CERTIFY ON HONOR, That I have minutely inspected the Recruit,  
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is  
of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly ob-  
served the Regulations which govern the recruiting service. This soldier has *Blue* eyes, *Light* hair, *Fair*  
complexion, is *five feet seven* inches high.

Will you arrest one  
James Mery Co A 26<sup>th</sup> Inftry - a deserter &  
a rebel. The last heard of him he left Danville

Colonel,

I beg leave to tender you my resignation  
of the position of <sup>1<sup>st</sup> Lieut and</sup> Adjutant of this Regiment,  
the same to take effect immediately and uncondi-  
tionally upon its acceptance by the proper  
authority.

I regret being obliged to take this  
step on account of the precarious state of  
my health, which at any moment may  
render me incapable of a proper discharge  
of my official duties.

I am, Sir, Very Respectfully

Colonel George B. Boonin.  
Comdg 26<sup>th</sup> Reg. Mo. Vols  
near New Madrid, Mo.

First - the assumption that this was the case, was hardly what a Court-martial  
would sustain. inasmuch as the order referred to, only, included unnecessary  
labor, and refused to chill, review, working on fortifications, not im-  
mediately needed. In any event if this was not an afterthought,  
nothing but the profoundest ignorance of military discipline, could  
have suggested this mode of bringing such a fact to notice.

To be guilty of disobedience of orders, in order to show that some order  
also, in his opinion, had transcended his authority, is a not a  
way to proceed. Provided the Charges are not frivolous, are ad-  
-apt, amenable to Court-martial, for the exercise of their authority.  
The General Court-martial, of which Col W. H. Worthington is President  
is hereby dissolved.

General Order No. 11

April 4<sup>th</sup> 1862

General Order

No. 1

At the General Court Martial which  
convened in the camp of the 3<sup>d</sup> Division near New  
Madrid, Mo. pursuant to Genl Order No. 1 of March  
2<sup>d</sup> 1862, from the Head Quarters 3<sup>d</sup> Division, Army of  
the Miss. and of which Col W. H. Worthen was  
President, and Major J. C. ... was ...  
... of the ...

Charge

Disobedience of orders

Specification

In this, that the ...  
1862, he did not depart for March 2<sup>d</sup> from the  
...  
Genl Order No. 1 of March 2<sup>d</sup> 1862, from the  
Head Quarters 3<sup>d</sup> Division, Army of the Miss.  
to which the Regt belongs, and  
was issued in pursuance of Genl Order No. 1  
from H. Q. of the Division.

To which charge and Specification  
he answered pleaded Not Guilty.  
Findings of the Court

The Court finds the accused Lt. J. H. Van Buren.  
No. 10 Vol. Infy. "Spot Gunter" of the Charge and  
Specification exhibited against him, and does  
therein acquit him. The finding is of course.  
Lt. J. H. Van Buren will be without more acres  
and receive his sword. The Judge Commander  
the Prisoner deems it his duty to remark, that the ac-  
cused was acquitted, because the charges and  
Specifications were erroneously laid, under an order  
from the 6th Infy 2<sup>d</sup> Brigade 2<sup>d</sup> Division.

instead of under an order of the same number from  
the 1<sup>st</sup> Div 2<sup>d</sup> Division. For the information of all  
concerned. He will state that order within 24 hours  
of the time must be published exactly as received from the  
1<sup>st</sup> Div 2<sup>d</sup> Division. The defense at this time  
mentioned a want of information as to the relations, obli-  
gations and duties of Staff Officers to their chiefs,  
in which a few words may not be out of place.  
The relations is of the highest order. It is not only  
Official but personal. The confidence placed by the  
Chief is in the sanction of an individual, Judge  
of Honor on the part of the Staff Officer, that he will re-  
ciprocate this confidence. When a Staff Officer at-  
tending here, or at any other time, is called for  
or receives orders, to fail to bring them to the  
knowledge of his Chief is, as must be apparent,  
to all an offense of the gravest nature. To do so

intentionally we wish to distinguish in the future.  
Staff Officers have no authority as such, except what  
is delegated by their Chiefs to them. The delegation of  
authority need not be specifically made in each case.  
Staff Officers are frequently seen to give orders in the  
name of their Chiefs which are merely the carrying out  
of general instructions, but in such cases they should  
exercise great caution and immediately report  
to their Chiefs their actions and the reasons therefor.  
The Staff Officer can in any manner be excused for failing  
to make a detail when ordered by his Chief, author-  
ity, without placing his Chief in the predicament  
of being tried for neglect of duty. and this course wo-  
uld have been pursued in this case. Had not the informa-  
tion been given by an accused, that he had failed  
to ask for the sanction of his Chief and had acted with-  
out authority. I again think it in doubt, that had he  
represented to his Colonel and the Colonel in turn made  
the proper representations that there was sufficient force  
on hand in the regiment to serve for Sunday the fatigue  
would have been <sup>dispensed</sup> ~~expressed~~ with. And perhaps  
when practicable, sufficient force will be provided  
on Saturday to serve for Sunday and. And to this  
end, when necessary the fatigue detail for this  
purpose on Saturday will be increased. The accused  
in his defence set up that the order for the detail was  
illegitimate, being in contra<sup>ven-</sup>tion of orders from Genl. W. Chilton.

RECRUITING OFFICER.

Gov. PRINT. Off. July, 1862

*This man has been duly mustered into the Service of the United States in accordance with the mustering regulations for the 26th day July 1862. Co. C. 1st Regt. Ill. Cav. on the 28th day of Jan'y 1864 at St Louis. Mo. Approved by Co. C. 1st Regt. Ill. Cav. Capt. W. H. M. 2nd Dist. of Mo.*

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as  $\frac{1}{2}$ ,  $\frac{3}{4}$ , &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

Washington, *October 21. 1901.*

The notation of *Aug. 24, 1870* is canceled.

It has been determined that the action of the *Comdg. General Department of the East* purporting to *dishonorably discharge* this man, to date *July 18, 1865,*

was taken under a misapprehension of the powers of the *military authorities* in such cases, that the same is void and without effect, and that the final record of this soldier is that of a deserter.

Statement of facts in the case of  
William N Walker, arrested as a deserter  
from the 26<sup>th</sup> Mo. Vol: Mr Walker

William, enlisted  
on the 14<sup>th</sup> Sept 1861, at St Louis, Mo: was  
mustered in by Capt Albert Tracy Sept  
19<sup>th</sup> 1861, Capt John H Holman under the  
appointment of J. C. Fremont, raised an  
independent Company, of sharpshooters  
Holman enlisted August 28<sup>th</sup> 1861, was  
mustered into service Sept 19<sup>th</sup> 1861: by  
same Capt Tracy; It was during this period  
of Capt Holman's independent Command  
that said Walker was enlisted; immediately  
upon his enlistment he received a commission  
from said Holman & served a Co; he left for  
that purpose & never came back to Holman's  
Command, (it is alleged by Walker that it  
was understood that if he succeeded in rais-  
ing a Co he was to be commissioned as Capt  
~~if he failed, not to lose at all.~~) Holman  
was in service from Sept 19<sup>th</sup> 1861, up to  
Dec, 31<sup>st</sup> 1861, in charge of his separate &  
independent Command; On the 31<sup>st</sup> of Dec  
1861, his Command by order of <sup>Gen Quincy</sup> Gen Hooker  
was consolidated with Col Boonin's  
Command to form the 26<sup>th</sup> Mo, at that  
date William N Walker's name was not

not upon Ensign Holman's rolls, nor  
has it ever been upon the rolls of  
the 26<sup>th</sup> Regt Me Bole: Nor has Ensign  
Walker ever had any other commission  
in the Army than that dated herein  
shown, after the consolidation of the companies  
forming the 26<sup>th</sup> Me. he was arrested by Holman  
as a deserter and escaped.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as  $\frac{1}{2}$ ,  $\frac{3}{4}$ , &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate of this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, or the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I, Francis Warallog born in Bager Co

and by occupation a Soldier Do HEREBY ACKNOWLEDGE to have  
volunteered this Seventeenth day of February 1867,  
to serve as a **Soldier** in the **Army of the United States of America**, for the  
period of **THREE YEARS**, unless sooner discharged by proper authority: Do also  
agree to accept such bounty, pay, rations, and clothing, as are, or may be, estab-  
lished by law for volunteers. And I, Francis Warallog do  
solemnly swear, that I will bear true faith and allegiance to the **United States**  
**of America**, and that I will serve them honestly and faithfully against all their  
enemies or opposers whomsoever; and that I will observe and obey the orders of  
the President of the United States, and the orders of the officers appointed over  
me, according to the Rules and Articles of War.

Sworn and subscribed to, at Monticello Ala Francis Warallog  
this Seventeenth day of February 1867  
BEFORE Ernest A. Self  
1st Lieut 16th Regt Inf. Vol.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably  
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and  
mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer Francis Warallog  
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my  
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties  
of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service.

*P. A. G. M., 1916*

Vicksburg, Miss., August 1, 1864.

To Brig. Gen. L. Thomas,

Adjutant General U. S. Army.

Sir—In obedience to the requirement, that Chaplains in the Army shall report monthly to your office, through the usual military channels, I have the honor to submit the following Report for the month of July, 1864.

I am still on detached service in connection with the Freedmen's Department, under the orders of Col. John Eaton, Jr., Genl Superintendent.

A reference to my Reports for May and June, which were duly made, will show the general nature of my duties in this office. I continue to perform those duties.

I have preached to a white congregation, mostly military, in the Presbyterian Church in this city, twice on each Sunday in the past month, except that I have procured some assistance from other ministers.

I have also maintained, with like assistance, a service and a Sunday School for colored people, at the same church.

I have the honor to be, General,

Your obedient servant,

Sir—The undersigned, at present Chaplain of the 26<sup>th</sup> Reg<sup>t</sup> Missouri Inf., respectfully requests the position of Lieut. Colonel, or Major, in one of the Colored Regiments about to be organized. He would also, in either of these positions, volunteer to do the duty of Chaplain.

The reasons of his wishing to change his position are— that he wishes to do what he can for that branch of the public service; he desires to set an influential example to the Presbyterians of Illinois, among whom he has an extensive acquaintance; and he desires a position of greater activity than that which he has at present.

I have the honor to be

your most obt. servt.

As the Rev Dr Wanner Chaplain of the  
26th Missouri Infantry informs me he has  
asked for a Field Officers position in a Colored  
Regiment I take the liberty to recommend him  
to your notice.

I have known him for five years and  
consider him qualified for the higher position  
named in his application for the reason that  
he is of unusual intelligence, firmness, sagacity  
and of untarnished principles.

I believe he desires the position from  
a sense of duty and will our Country good

To Colonel Dean,

Sir— I hereby offer to you my resignation of the office of Chaplain in your Regiment, to take effect on the Thirty-First day of the present month, August, 1864. My reasons for resigning are—

1. I wish to accept a similar appointment in another Regiment, in connection with the Freedmen's Department, in which I have been laboring for several months, on detached service.

2. I have been now so long detached from the Regiment, that I do not think it would be profitable to the service for me to return to it.

I am not indebted to the Government in any way, and have not been absent at all without leave.

## FINAL STATEMENT

*Sec. Endorsement*  
*Private William F. Hubber*

*Co F 86* Regt of *Ar vol*

### VOLUNTEERS.

*died at Location also found*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may appear on his final statements from the fact that his descriptive list is complete. These accounts for back pay, &c., are settled by the Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutter and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

their charge; and especially in epilepsy, convulsions,  
chronic rheumatism, derangement of the urinary organs,  
ophthalmia, ulcers, or any obscure disease liable to be  
feined or purposely produced; and in no case shall such

## DIRECTIONS.

This certificate will be made out in duplicate by the soldier's com-

delegated.

These certificates, after having received the action of the highest  
authority to which they are required to be sent, will be returned  
through the same channel to the regimental, post, or detachment  
commander, who will, if the discharge is authorized by the endorse-  
ment of the proper authority, sign the soldier's discharge, and the last

proper full statements in duplicate, and forward BOTH of these cer-

Major Genl. Wm. H. Allen  
Comd'g 1st Div. Ind.

According to No. 289 dated  
9 Oct 61 John Melker was  
appointed Capt in Major Holm-  
an's battalion of Sharpshooters  
by General Sumner. When  
appointment he Melker accepted.

On 11 Dec 61. Capt. Melker & Co  
of Sharpshooters (Holman's)  
was ordered to be at the depot  
corner of 4th & 1st St. St. Louis.

The muster-in roll designated  
the Capt's Company - as Captain  
John Melker's Company B of Maj  
or Holman's Battalion of Sharp-  
shooters - On 31. Oct 1861.

On the 30 Dec 61. it was recom-  
mended that the form under No. 90  
Holman & Melker, be considered  
as a Gov. & Amble acted upon  
the recommendation & formed  
the 26 Regt. Mo. Vol. Inf. & on  
mission to the officers. Capt Melker  
thru the willingly received their  
concomitances in the 26 Regt. Inf.  
having expressed the desire to be  
disconnected from the 26 Regt. Inf.

Consequently it is now too  
late to change the organiza-  
tion or for Capt Melker to join

any objection to his present posi-  
tion.

A. W. Holman

Major Genl

4<sup>th</sup> Regt. Mo. Inf.  
Feb 5/62

St Louis Mo. February 5<sup>th</sup> 1862

The undersigned would most respectfully present the following statement of facts;

That on the 26<sup>th</sup> day of September 1861, Sixty Six (66) men including commissioned officers and privates under the command of Capt John Helter reported to me at St Louis and proceeded on the following day under my command to Jefferson City, Mo. On or about the 3<sup>rd</sup> day of October 1861 Capt Helter asked the undersigned to be mustered into his command, stating that he desired his connection with Col Pige<sup>re</sup>, who he alleged had deceived him, and that unless he was officially mustered and duly recognized in the U.S. service he would return to St Louis.

Upon the above statements made to me by Capt Helter, the said Col Eaton then acting as A. A. General at Jefferson City, ordered the connection of Capt Helter with Col Pige<sup>re</sup> Regiment to be severed and also that he should be mustered into my Battalion, the said order bearing date Oct 9<sup>th</sup> 1861.

The said Capt Helter continued under my immediate command from that time until the 11<sup>th</sup> day of December 1861 when he was ordered with his company upon detached service upon the frontier Mo & K. That the company of the said Capt Helter as a part of my command was on the 31<sup>st</sup> day of December 1861, with other battalions, consolidated into what is now the 28<sup>th</sup> Inf. Regt. and he and his officers duly commissioned in said Regt. and he and they willingly accepting their commissions therein.

The proof of the above facts referred to

(1100)

has made to the order of Col Eaton & the  
Master R. C. of the said Capt. Hester pointed  
himself, and also the order of Col Eaton for  
the murdering of Capt. Hester, as well as the bullet  
in which was fired with the commanding  
General of this Regiment soon after his as-  
suming command here.

John W. Holman Lieut Col  
26. Mo. 1861

Saint Louis Feb 5 1861

I hereby certify & subscribe to the  
following statement contained herein  
viz

That at the time of the consolidation of  
Capt John H. Holman's Independent Company  
of Sharp Shooters with Capt John Melker's Comp.  
of Sharp Shooters (and or about the 5<sup>th</sup> day of  
Oct 1861) there was no objections raised by  
Capt Melker and he said in my presence  
that he wished to stay with Capt Holman  
and did not wish to go with Capt Birge  
and that he was perfectly satisfied and  
desired the consolidation.

Recd M. S. M. Feb 4 1862

To Chester Harding Esq. Adjutant General  
of the State of Michigan

The petition of Capt. John W. Birge  
respectfully states that on or about the  
2<sup>d</sup> day of September, A.D. 1861, he received  
from Colonel John W. Birge, as Colonel of  
a regiment of Sharp Shooters in appoint-  
ment as captain in said Regiment, by  
order of Maj. Gen. Fremont, that prior to such  
appointment he was not in any manner  
engaged in the service of the United States;  
that on or about the 30<sup>th</sup> day of September  
A.D. 1861, he received notice from John W.  
Birge that he had been ordered to have in  
readiness, one company of his Regiment  
to march with the expedition under Maj.  
General John C. Fremont, to the South-  
west part of the State of Missouri, and  
said Birge notified your petitioner, that  
he must get in readiness to so march  
that at such time your petitioner had  
not his full complement of men, by a consider-  
able number, and his company was filled  
out by taking men recruited for other com-  
panies in said Regiment of Sharp Shooters  
that under, and in pursuance of the  
order and command of the said Col.  
John W. Birge, he dispatched upon such  
South West expedition, with the men  
now under his command, so recruited  
and obtained as aforesaid; that neither  
himself nor any of his command had

under the immediate command of the said  
Colonel John W. Rizer, and reported to him direct;  
~~that he had been ordered to the last~~  
he supposed and believed that the effect & result  
thereof was and would be, to transfer himself &  
his command to the said Regiment of Sharp Shooters,  
for which said Regiment himself this was ever  
so accounted as aforesaid; that your Petitioner,  
was the first person who received the appointment  
as Captain in said Regiment of Sharp Shooters, and  
is, of right, the Senior Captain of said Regiment;  
that there are only nine companies mustered  
into the Service of the United States, which are  
attached to such Regiment, the Company under  
your Petitioner's command making the tenth;  
that there are nine full companies mustered into  
such Regiment, and the effect of removing him  
<sup>from</sup> said Regiment, will be, to leave said Regiment with-  
out the requisite number of Companies, and  
leave said Regiment in an incomplete condition  
and not in a situation to be fully mustered into  
the Service of the United States; that he was  
much surprised to learn that an order made for  
the consolidation of certain detached Companies  
into the 26<sup>th</sup> Mo. Vol. had included him and his  
command, and had annexed him this com-  
mand to said 26<sup>th</sup> Regiment Mo. Vol.; that he him-  
self, ~~as a result of this consolidation~~, desires to be

reattached to said Regiment of Sharpshooters,  
for which they volunteered, and hope that they  
may not be annexed to any other; that in  
case such order of consolidation shall be  
adhered to, ~~by~~ himself, his command  
be transferred and annexed to the said 26<sup>th</sup>  
Regiment of Foot, they will be placed in a  
Regiment in which they have no interest,  
be under the immediate command of officers  
in whose selection they have had no voice,  
and under whom they did not volunteer,  
and he fears the effect may be disadvantageous  
to his command and to the Service.

Therefore he humbly prays, that such  
order of consolidation, so far as it relates to  
him and his command, may be vacated,  
and annulled, and that an order may be  
made, reannexing him to said Regiment  
of Sharpshooters under the command of  
the said John W. Pige as Colonel.

And as in duty bound, he will  
ever pray &c.

John Walker.

Colonel

Sir

I must acknowledge that  
through the intermediate Commanders of  
the proper authorities I leave in absence  
for the period of thirty days, leaving  
my major in Vicksburg, and I am  
for the purpose of settling up my business  
which has been out-standing since the  
commencement of the war, & now require my  
personal attention. I have been with the  
Command in every march & battle with only  
a single exception, and since the organization  
of the Regiment in the year 1861 I have  
never had the benefit of a leave of absence  
& have a competent Commissioned Officer  
in Command of the Company.

Very respectfully submitted

### VOLUNTEERS.

*Died Oct 7 1868*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landrum must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased Volunteers and men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

# FINAL STATEMENT

R226

1st Lieutenant

Joseph E. Hingert Co A

26<sup>th</sup> Reg't of Missouri Inf'y

## VOLUNTEERS.

Died May 27 1863

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to equipments, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Capt.

I have the honor to respectfully represent that Private-Joshua T. Wolfe Co. No. 1<sup>st</sup> Bat. 26<sup>th</sup> Mo. Infy. Bolo. was enlisted as a recruit in the 26<sup>th</sup> Regt. Mo. Infy. Bolo. (Co. No. 1) at St. Louis Mo. on the 20<sup>th</sup> day of September 1862. That soon after his said enlistment and while awaiting transportation to the Regt. he was taken sick with Pneumonia and sent to Hospital for treatment; while there Typhoid fever succeeded. Pneumonia and he remained in hospital in a low condition until the month of October 1863. when the Surgeon gave him a pass to go to his home in Centert Mo. he remained at home until the month of March 1864. when he returned to Saint Louis. immediately, reporting to the Adj. Genl. of the State requesting to be sent to the Regt. The Adj. Genl. ordered him to report to

the officer in charge at Benton Barracks  
Mo. to await detachment to be forwarded  
to Regt. He reported to Benton Barracks  
and remained there until the month of  
April 1864, when he one day in Co. with  
a Sergt. of this Regt. went on a forage to  
the city. And while there, on some day,  
he was arrested by a sentinel as a  
deserter. Soon after he was officially  
reported to the Regt. as Apprehended  
from desertion, whereupon he was  
reported on Co. & Regt. records as a  
deserter. And also <sup>as</sup> Apprehended from  
desertion. In the month of May 1864  
he was sent to Regt. without escort.  
And in due time reported in person  
at Decatur Ala. Some time afterward  
his Co. Commander preferred charges  
against ~~him~~ which were duly forwarded  
through the proper channels. but  
nothing has been of them since. And  
now upon recent enquiry, cannot  
be found in this 3<sup>rd</sup> Div. 15<sup>th</sup> A.C.

About one month after said Holf

return to Regt. he was ordered to duty  
 And has done duty ever since in all  
 respects conducting himself as a good  
 and faithful soldier. From infor-  
 mation which I deem reliable and re-  
 cently come to my notice I am satisfied  
 that Pvt. Wolf is not guilty of the charge  
 in the premises.

I therefore respectfully  
 ask that Private John T. Wolf Co. "C",

 that an order be made in the prem-

Gen. M. S.

Recd. A. S. O. May 19<sup>th</sup> 1865

Camp 26<sup>th</sup> Regt. M. Inf. Vd  
Vicksburg Miss Sept. 3<sup>rd</sup> 1863

Col.

I hereby recommend through you to the proper authorities Sergeant W. W. Woodnancy of my Co for a position as a Commissioned Officer in one of the Colored Regiments now organizing.

Sergeant Woodnancy was recommended for the second Lieutenantcy of my Co. but the Company being below the minimum standard he was not appointed.

Sergeant Woodnancy has served faithfully with his Company and has distinguished himself in several engagements, and is in every respect competent to perform the duties of a Commissioned Officer.

I therefore hope that he may be appointed as a Company Officer in one of the Colored Regts now organizing if found competent and in this manner be rewarded for his faithful services.

Respectfully Yours, most obedt. Servt

Frank. Geo Schoenen

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on one certificate the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
